

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

Who is eligible?

- › Indiana University requires all International Students, Intensive English Program Students (IEP & PIE), and Visiting Scholars to be enrolled in the International Student Insurance Plan. International students required to enroll in the plan are automatically enrolled in and billed for the premium through their bursar account.

Coverage is available for dependents too

Eligible students automatically enrolled and scholars enrolling online may also insure their dependents. This includes a spouse and children under the age of 26. Dependent eligibility is effective and expires concurrently with that of

the insured student or scholar. There are two open enrollment periods to enroll a dependent at the start of the fall semester and also the spring semester. In the case of a life event change, if the enrollment form is submitted within 30 days of the qualifying event, coverage will be backdated and begin on the date of the qualifying event. If the deadline has passed, your dependents may not enroll until the next coverage period, unless there has been a significant life change (i.e., marriage, birth, loss of prior coverage).

Here is how it works:

- › To enroll the dependent(s) of covered International Students/Scholars, please complete the [Enrollment Form](#) available online on the University Health Plans website.

For information about **costs and dates of coverage**, please visit the [Human Resources > Benefits page](#) on the Indiana University website.
