As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

# What you need to know about Anthem Student Advantage

# Who is eligible?

IU School of Medicine (IUSM), IU School of Dentistry (IUSD), IU School of Health and Human Sciences (SHHS), and IU School of Optometry (IUSO) students who are currently taking classes are automatically enrolled in this plan each semester, and are billed for the premium through their bursar account. Participation in this plan is mandatory for these professional students unless proof of comparable coverage and an enrollment waiver are submitted and approved by the waiver deadline. An email detailing the waiver process and any applicable deadlines is sent to eligible students each plan year.

# Coverage is available for dependents too

Eligible students may also insure their dependents. This includes a spouse and children under the age of 26. Dependent eligibility is effective and expires concurrently with that of the insured student. There are two open enrollment periods to enroll a

dependent at the start of the fall semester and also the spring semester. In the case of a life event change, if the enrollment form is submitted within 30 days of the qualifying event, coverage will be backdated and begin on the date of the qualifying event. If the deadline has passed, your dependents may not enroll until the next coverage period, unless there has been a significant life change (i.e., marriage, birth, loss of prior coverage).

Please note, enrollment for students is automatic and premiums for students will be billed to their Bursar account. No enrollment form is required for students. Dependents should be enrolled using the options below. All dependent premiums are the responsibility of the student to pay.

Dependent enrollment must be completed and received no later than the Enrollment Deadline.

# Here is how it works:

To enroll the dependent(s) of covered Professional Students, please complete the <u>Enrollment Form</u> available online on the University Health Plans website.

For information about **costs and dates of coverage**, please visit the **Human Resources** > **Benefits page** on the Indiana University website.

# Important dates for the coverage period

# **Waiver deadlines**

Waiver of this coverage will be authorized if the student has evidence of other health insurance coverage under a plan which provides benefits equivalent to this plan. Students on all campuses should submit their insurance waiver through the University Health Plans website at <a href="https://www.universityhealthplans.com/intro/lndiana.html">www.universityhealthplans.com/intro/lndiana.html</a>.

Please contact the Student Insurance office at <a href="mailto:studentc@iu.edu">studentc@iu.edu</a> regarding information on how to waive the Professional Student Plan.
