Welcome to Anthem Student Advantage
As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

**Who is eligible?**

- All registered undergraduate students taking 6 credit hours per semester, graduate students, and online degree-seeking students are eligible to enroll in the plan.
- Graduate students holding assistantships and students participating in internships or other practical training programs are also eligible to enroll in the plan.

**Coverage is available for dependents too**

If you are covered by Anthem Student Advantage through University of Missouri - Science & Technology, you may enroll your lawful spouse, domestic partner or dependent children under the age of 26.

**Withdraw policy**

If you withdraw from classes under a school-approved leave of absence, your coverage will remain for the end of the period for which payment has been received and no premiums will be refunded.

If you withdraw from classes other than under a school-approved leave of absence within 31 days after the policy effective date, you will be considered ineligible for coverage, your coverage will be terminated retroactively and any premiums collected will be refunded. If the withdrawal is more than 31 days after the policy effective date, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.
## Coverage periods and rates

Your Student Health Services

Missouri University of Science & Technology – Student Health Services (SHS)

Health Services
The SHS is primarily a walk-in, acute care clinic with short wait times. Student Health does not replace your primary care or specialist provider but can assist in care while you are a student on the S&T campus. The student health fee covers your visits to SHS but is not insurance.

Out-of-pocket costs are generally low for medications, labs, procedures, and x-rays. Student Health does not bill your Anthem insurance but can assist you should you need to use it to see an outside provider/specialist or need other imaging modalities.

Please refer to the SHS website for details regarding services offered: studenthealth.mst.edu/ourservices/
