This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://eoc.anthem.com/eocdps/SH08012023L07750M001>. Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$500/student for In- Network Providers . \$1,000/student for Non- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. Primary Care. Specialist Visit . Preventive Care . Certain Prescription Drugs . Vision. For more information see below.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$6,000/student for In- Network Providers . \$12,000/student for Non- Network Providers .	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes, Anthem PPO. See https://www.anthem.com/health-insurance/provider-directory/searchcriteria?planstate=CO&plantype=NETWORK&planame=PPO or call (833) 332-0798 for a list of network providers . Costs may vary by site of service and how the provider bills.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an Out-of-Network Provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an Out-of-Network Provider for some services (such as lab work). Check with your provider before you get services.

Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
